Grant Application

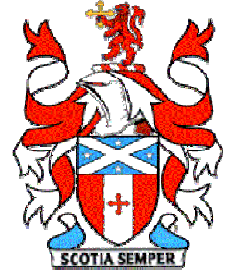

Please read the guidelines before completing the Application itself. In the project description area, briefly include information about your background and a brief summary of your past achievements, particularly as they relate to the issue to be addressed by your proposal.

General Guidelines

1. Please condense the information about your proposal so that it fits within the space allowed on the application form.
2. You may submit additional information as an addendum to the proposal, but it is essential that all pertinent information be included on the application form within the space provided.
3. As a general rule, grants will not be made for meeting annual operating expenditures or for retiring ones debts. Please be advised that we prefer to make grants that are not recurring in nature.
4. A report must be provided by the grantee that demonstrates that the project has been completed. Further funding will not be considered until evidence of completion of the project is received.
5. The foundation's fiscal year runs from July 1st through June 30th. Potential applicants should submit this application prior to June 30th of the calendar year for consideration in the following Fiscal Year.
6. Please be sure to complete all information requested on this application (except Funding Project Title). You may use the abbreviation "N/A" for "Not Applicable". **Important:** Applications that are incomplete or are unsigned will not be reviewed or returned.
7. Applications should be mailed to:
