

## **President's Report**

September 20, 2015 Board of Director's Meeting  
Saint Andrew's Society of Mid-Maryland, Inc.

- Thank you! Keys baseball game, In the Street, and Fall Kirkin!!!
- Outreach: SASMM brochure is being updated; connecting with other Celtic and similar organizations to work together.
- Fall Kirkin: Will send a donation check and personal thank you to Grace Episcopal Church
- Website and FB: Updates continue as well as direct emails to all SASMM members
- Nominations and Election Committee: Request for nominations sent out; reminder forthcoming.
- Bylaws revision: In progress.
- Audit: Drafted an Audit tool based on model templates for NFPs.
- Newsletter: Draft started and still interrupted. Cindy provided another group's newsletter as a sample. We will continue work together on this.
- DEP/SASMM Service Award: The festival working meeting (August 8) the group reviewed the various festival-related awards. The group suggested that (1) the Dorothy Jean Petrie Penders Spirit of Scotland Award be considered a SASMM award rather than a festival award, and (2) that Dorothy herself receives a Quaich. Charly has action for the Quaich engraving as it will be awarded to Dorothy at the AGM; Marianne has action for drafting the process for presentation to the BOD and at the AGM.
