Celebrating Scottish Life and Culture

The Scottish Lion May 2022 Issue #5

May is the month and the 21st is the day!

Let's celebrate whisky! *Uisge beatha* in Gaelic, the 'water of life', whisky is Scotland's national drink. There are so many reasons why whisky should be celebrated, so who needs a reason? Not us! Here's Tae Us! But if you do, check out our upcoming movie night. For more information (see below).

Visit Scotland is just one website that explores the science and art of whisky.
